CALIFORNIA LEGISLATIVE UPDATE

This information is accurate at the time this CAL-ERT was written and originally distributed. The scheduled times and dates for hearings are subject to change, by the legislature, with little or no advance notice. The NRA Members' Councils of California will keep you informed as the legislative situation changes in Sacramento.

There are several bills in California that the NRA is following at this time. Some are good and some are bad. Today, we are targeting AB352 because it is currently on the Floor of the State Assembly and it should be defeated. To see the information on other bills that NRA is tracking, within California, go to <http://www.calnra.com/legs.shtml>.

Please Focus on this Pending Legislation:

AB 352 (Koretz) This un-necessary bill would, commencing January 1, 2007, expand the definition of unsafe handgun to include semiautomatic pistols that are not designed and equipped with a microscopic array of characters, that identify the make, model, and serial number of the pistol, etched into the interior surface or internal working parts of the pistol, and which are transferred by imprinting on each cartridge case when the firearm is fired. AB352 is currently on the Assembly Floor and could be heard as soon as Wednesday, May 4, 2005. **Position – OPPOSE**

Immediate Action requested:

Please contact members of the Assembly and urge them to **OPPOSE AB352**. **KEEP UP THE PRESSURE!!!** Please continue to CALL, FAX, and EMAIL the legislators. All three methods of communication are effective and we must keep up the broad-based effort. *Note: Anyone who tells you that email is not effective is simply wrong or misinformed.*

Contact Information:

State Assembly: A complete listing of all of the members of the State Assembly including phone/fax/email information can be found at: <http://www.calnra.com/legs/asm.shtml>. Also, you can send a single email to each of the State Assembly Members by using the special **"ONE CLICK"** email address that you can find at: <http://www.calnra.com/legs.shtml>. By sending one email to the special **"ONE CLICK"** address, each one of the State Assembly Members will receive a copy of your message (so it is probably a good idea to address your messages with: **Dear Assembly Member,**).

Note: It is important to contact ALL of the Assembly members in Sacramento, not just your own representative. Some of them might not want to hear from those of us outside of their own districts, but since their vote affects ALL OF US, we will continue to contact ALL OF THEM. That is why "ONE CLICK" usage is FREE, unless you are an anti-gunner or someone not supporting the NRA and the Second Amendment, in which case we charge you. ☺
