CALIFORNIA LEGISLATIVE ALERT

=====

This information is accurate at the time this CAL-ERT was written and originally distributed. The NRA Members' Councils of California will keep you informed as the situation changes in Sacramento.

IMMEDIATE ACTION REQUIRED!!!

Two anti-gun bills ([AB2714](#) & [SB59](#)) were passed by the legislature and are now on the Governor's Desk. He can veto them, sign them, or let them become law without any action. **HE SHOULD VETO THEM BOTH!**

[AB2714 \(TORRICO\) INTERNET/MAIL ORDER AMMUNITION SALES ID REQUIREMENT](#)

This bill would provide that no ammunition or reloaded ammunition could be delivered via the INTERNET/Mail order pursuant to a retail transaction unless the purchaser personally presents clear evidence of his or her identity and age to the seller of the ammunition. This bill also repeals a provision of current state preemption law that restricts local governments from regulating the sale of ammunition.

[SB 59 \(LOWENTHAL\) HANDGUN LOSS OR THEFT REPORTING](#)

This bill would make it an infraction for any person whose handgun is stolen or irretrievably lost to fail, within 5 working days after his or her discovery or knowledge of, or within 5 working days after the date he or she should reasonably have known of, the theft or loss, to report the theft or loss to a local law enforcement agency of the jurisdiction in which the theft or loss occurred or in which the person resides. This bill also repeals a provision of current state preemption law that restricts local governments from creating a patchwork of laws regarding reporting lost or stolen firearms.

ACTION REQUIRED:

Contact the Governor and request that he VETO AB2714 and SB59.
